By taking a gate key you agree to the following conditions:

1. You may use the key to unlock the gate for your own entry between 8:00 AM and dusk (your vehicle must be out of the park before dark).
2. The gate must be relocked behind you as you enter and exit the park. You may not leave the gate open for others to drive through, except in the case that the other vehicle(s) is/are your guests.
3. The key may neither be duplicated nor shared other than with family members in the same household.
4. The key is yours to use as long as your HOA member dues are current. If your dues become past due then you will be asked to return your key— failure to return a key will result in a fee of \$200 being assessed to your account to cover the cost of lock and key replacements.
5. If you fail to abide by this agreement you will be asked to return your key— failure to return a key will result in a fee of \$200 being assessed to your account to cover the cost of lock and key replacements.
